## Greenshoots

Macrooom E-Park 'Greenshoots' Programme launched earlier in the year by Minister Batt O'Keeffe and Bobby Kerry of RTE's *Dragon's Den* programme, is about to commence and ten successful applicants for inclusion on the programme will commence business training under the 'Greenshoots' programme.

The programme is based in the Macrooom E Enterprise Centre in Bowl Road and the ten selected businesses will be based there for the next nine months where they will get their enterprises off to a solid start with a mentor assigned to each.

The 2010 Greenshoots businesses are: Ed Donovan (Neartaid); Tina McAvoy (Style); Maresa Gieles and Benjamin Laddy (Environmental Consultancy); Stephen Hynes (Biogas and Fertiliser Products); Lucy Hyland (Health Food for Living); Conor O'Donoghue (Satellite imagery); Theresa Cronin (Computer Explorer); Sheila Cagney (Home Care Services); Maura Horgan and Martha Kelleher (Introductory Agency).
